

Earthquake weapon attacking on Haiti.

Letter to UN	2010/01/24
Letter to Organizing for America	2010/01/22

It's an unprecedented disaster in Haiti, for which I have an extremely serious view on the evil of America (CIA, military & industry complex).

(1) In 1995/1/17, M7.3 earthquake attacked on Hanshin-Awaji region in Japan,
(2) and 2010/1/12, M7.0 earthquake attacked on Haiti,
(3) both when new government of democratic regime came on with new policy in Japan.
(4) Notable fact at 2010/1/15 is that corrupted Tokyo district predecessor connecting with CIA since after the war had brutally and simultaneously arrested even 3 important subordinate of Mr Ozawa who is main actor in establishing new regime (pseudo Coup d'état). Then also corrupted media made big flame up propaganda against Ozawa. In preceding these events, DPJ made remarkable work called "Jigyo-shiwake" which blamed long period political and administrative corruptions in bureaucrat system and the relative. Most of Japanese people were very frightened and welcomed with joy. Consequently the corrupted established bureaucrat power connecting CIA since end of the war made their mind to make political suicide attacking on Ozawa and his group by flame up propaganda through corrupted media. After the war, the long dictatorship of LDP with hidden CIA fascism operation had been occupying Japan. Then encountering the Haiti disaster, we Japanese could not help remind the nightmare in 1995/1/17 at new JSD government by Mr Murayama.

(5) It's too synchronous in seasonal times. Those are evidences threatening for democrat movement on Japan, Asia and Southern American nations, which are not necessary in favour of American foreign policy. In the condition of allowing such evil acts, any nation could establish own free democratic regime against USA, and also not evade the unprecedented future disaster called global abrupt climate change with possibility of supreme extinction of all of life on earth. American be awakened and judge the own extreme evil in America!!.

(6) Haiti is a historically admirable nation establishing **the first independent republic regime by Afro-people** (1791), however due to its singular terrain, they always have been encountering various interferences by the evil American imperialism, which has been found in also in Asia and Latin America in the past (the operation Condor). Never interfere our acts for the real change for betterness. See our scientific philosophy and the trying.

(7) Then note that the first and now Afro-American president in USA is Barack Obama. Did he himself do such cruel and absurd attack on Haiti ??? No, maybe, no it's an unprecedented crime by the hidden and disobedient ultra-right wings in CIA & Pentagon, who has been conspiring new world order in the view of **white supremacism**. Once they had killed even own nation president Kennedy. In media photographs, they made a stress on Haitian riot on seeking food and water. However in such unprecedented situation, anyone would become so. It was also pointed out in New Orleans in the massive hurricane Katrina attack. <http://www.timesonline.co.uk/tol/news/science/article1480669.ece>

(8) Then Obama government could be said nothing governance ability on evil them. This is due to lack of blaming on the outrageous brutal government by Bush the former president era of own playing terror 9/11 and illegal-brutal invasion on Afghanistan and Iraq. Of course this is also due to indulgence of the world wide public opinion who saw facts and made silence on those.

(9) It is nothing without "**silence with whisper rumour in our behind**" that is to make up most unfavorable situation against political threatening on us by Earthquake Weapon by USA.

(10) We must disclose and discuss toward the world public opinion including USA-themselves, and **act against USA** for this outrageous threatening.

(11) Because, it is nothing without a war without war declaration.

According to M. Gandhi, we could make resistance against USA by disobedience (breaking diplomatic relation with USA, no buying, abolishing military base in abroad, etc). But we make cooperation with those who blame own evil USA.

(12)The first step to victory would become actual only when we could make independence from usa and cooperation with other world wide nations by various reforming for ways of life<the world emergent tasks>.

(13)The final step to victory would be American democratizing revolution.

(a)American has been considering ownself the first class people by the ability and wealth.However it's entirely an illusion conspired by their master.The world people is equal. The proof is our current work,but interfered by CIA.

(b)American never be known the real science(mathematics, physics, economy,.....).

(c)American never be known the real cause of their birth and their final disasterous destiny if current situation be prolonged. (cosmology&geo-science)

(d)American never be known the real will of God=people must do co-live.

(g)All the necessary facts on future surviving has been hidden by the master.

It's a final heroic work left for American prisoner to liberate America from the tyrant master.

Save Haitian an others for their well-being
by global solidarity with the truths.
