

## Nothing Betrayals could Turn the Upside Down World !!! 2014/7/16

How to overcome stubborn, but **desperate conservatism** causing own extinction.

### [ 1 ] : Failure Growing toward Social Collapse<analysis on the cause>

Author now has been watching massive peoples **corruption** in climate decaying world due to **insidious conspiracy**. Corrupting is consequence of **disability** in solving **problems** coming after and after. Conclusion is **striking out inner Betrayals!**

In today, one should not easily tell on **democracy**, because 20-21th century may be most singular era having realized invisible, but **the strongest plutocracy (oligarchy hereditary) ruling by growing the monopolized capitalism after the world war 2nd**. Children <elite class bribed> of **rich father** are to be **obedient with powers** <top black triangle> who give them. People follow who give them bread, while not follow who can't give.

*What feature will future society reveal !, Comrade gentlemen. Let's tell you. At first **elite aristocracy** would appear by survival struggles. Then also appear "eternal non adult group", that is, new middle class, ignorant public, and new slaves who serve. And top on all of them, new Aristocracy would have been established. Some special leading person would be. Thus, by hegemony struggling, new regime would be established in inner and outer side of nation. Also east region become giant experimental one, ..... and then new European social order would be implemented (Words told to Rauschnig by Hitler).*

**[ 3 ] : The high technicalized Anachronism has been still ruling on.**

In Middle East,Ukraine,Latin America,and East Asia(China,Korea,Japan),author noticed an evil which has been causing corrupting and use\_less-full disputes in those regions. Those could be summarized as a simple dynamics due to the ideology.

I : People and Nation are those who should be exploited by **supremacists hereditary**.

“Nation people and genius are tools of monarch”.

II : **Perpetual war strategy** by setting enemy toward hegemony winning.

“Peace era is mere a white page of history, of wich tedious is not suitable for mankind”

.....G.W.Högel’s philosophy in the feudalism Preusen in 19<sup>th</sup> century.

It is entirely upside down philosophy against the Bible teach(justice,truth,philanthropy).

You may be astonished with **the terrible anachronism**,but it is decisive fact of fundamental strategy of **Skull & Bonds** the secret society which manipulated G.Bush Junior in the **9/11** pseudo terror in USA and following **Middle East Wars**(2001).They are called **military industry complex with CIA** the fascism or **reincarnated NAZIS power** in USA.

Their emperor is **Rockefeller** the most wealthy hereditary family in USA.

- (1)Dispute on regional territory<Israel and Palestine,East Asia>
- (2)Dispute between racial territory<Ukraine>
- (3)Dispute on Political Class Struggles with US Imperialism<Latin America>
- (4)Invisible domestic hegemony struggle
- (5)Invisible domestic democracy corrupting
- (6)Invisible domestic anti-class struggling

Author consider it possible that **very few evil someone** may have been conspiring global hegemony.However he consider it too miserable that **overwhelming people** has been obeying in such **the terrible anachronism regime**.The clever and insidious **mechanism of ruling** may be as follows in **USA-Japan<the NAZIS ally>**.

It is not that from beginning,there had been evil ruling, but from certain era(1960?), those had been gradually growing without noticing.Once they would have recognized the fact,the situation had become worsen and hard to be turned. Let’s see left fig,elite class bribed They has been **betrayals against nation and people**. They are elites in bureaucracy,media,research and education.Unless their decisive repentance,the world would not be changed and go toward extinction.

#### [4] : How to Awaken ? ! ! .

It has substantially been hiding, but **the top priority problem** of the now world is **climate**. However, in global massive people, **apathy, ignorant, and desperate feeling** has been ruling. It is those feelings that could cause **massive synchronized paralyzing** against fatal crisis. In order to accomplish global salvation, two simultaneous operations is decisive.

<b>Climate</b>	* more than 80%CO2 cut
<b>Collapse</b>	* Arctic cooling geo-engineering

Certainly the problem is outrageously too big, Though coming climate hell is more outrageously too big ! !, **People could do best once they accepted fact !!!**.

**Trust and Bet it by making emergent global people's strong solidarity !!!!!**

By anyhow, it could not be possible only by own will, but by massive agreement to act.

Then could you imagine how massive the others think the problem ??.

**If people considered it impossible, it would be impossible,**

**while they found it possible, it would be possible.**

Now author considered that he had showed **it possible**. So he has been urging your **emergent** decisive and massive **agreement**. **Time** left for us is not so much !!!!!

#### [5] : The perverse and conservative people who has been denying the fatal facts.

It is wealthy, conservative and old men in USA, Canada, Australia, China, Japan and EC who has been against the climate facts. They are people who **monopolized global capitalism** which had accomplished the unprecedented prosperity, but deadly corrupted climate environments. Now they has been still haughty, because **massive silly their subordinates** has been following them toward **own extinction** (in the upside down world).
